

# ESSENTIAL CUTTING

WITH JOSEPH SANTIAGO

This course teaches the core principles of lines, layering and graduation.

Mastering these precision techniques will help further your creative talents and innovation behind the chair.

Joseph Santiago is an Alfaparf Milano National Cutting Specialist. He is an expert in precision cutting with an Italian flair. He has been a lead stylist and creative director with Globally renowned Vidal Sassoon Academy. He continues to travel the world to perfect

his talents and inspire his enthusiasm for the industry.
