

BALAYAGE

WITH NANCY BRAUN

Nancy Braun has a simple hair color philosophy: *less is more*.

Her branding of the Balayage technique, highlighting that duplicates what nature gave us as children, has been honed to the level of an art form and her approach has made her one of the most sought after colorists in the industry.

Balayage is a French word meaning to sweep or to paint. It allows for a sun-kissed, natural-looking hair color.

Each stylist will learn the principal idea of less is more when creating soft, natural looks. Attendees will be educated on how to create the freehand technique where color is applied by hand.

Lunch is included for Hands-On attendees.
