

FOUNDATION HAIRCUTTING

WITH JORDAN DOWNS

- Expand your clientele and ensure repeat clients by wowing them with seamless cutting techniques you can use no matter the haircut.
- Learn to create soft, blended layers to enhance any hair type, soften graduation without removing that perfect weight line and master face framing angles to compliment your client's style.
- Each attendee will walk away with new techniques that they can confidently use behind the chair.

Lunch is included for Hands-On attendees.

Jordan was born with a passion for hair. His childhood was filled with giving friends and family haircuts any chance he got. In 1999, Jordan pursued another passion of his by joining the United States Marine Corps, where he retired after serving two tours in Iraq. Upon his return, Jordan was eager to start his future as a hairstylist. After finishing school, he went on to work at prestigious salons where he was mentored by highly regarded stylists who showed him all the tips and tricks in becoming a much sought after stylist. Jordan has now been a hair cutting specialist for over 15 years; focusing on bobs and seamless layering.
