

PROGRESSIVE BRAIDING

We live in a visually expressive and social media-exposed world where braiding has taken over. This trend isn't going anywhere! Do you find yourself Insta-stalking stylists for creative braiding inspiration? Have you ever asked yourself, "how did they do that?" *Yes?! Then you belong in this class!*

You will learn SIX braiding techniques that progress in difficulty, why to use each one for effect, and how to create a completed style. We will also "go beyond the Google" and teach how to undo braid pictures to figure out how to accomplish the most salon-requested styles. You will leave with a new skill set and the confidence to create your own beautiful, Insta-worthy looks.

LEARN AND EXPERIENCE:
