

FINISHING AND GLAM BLOWOUTS

WITH CHRIS DARRING

A client who experiences an elevated blowout is a long-lasting client. Learn to give your client the look they cannot recreate at home and they will love you forever. Execution is everything!

Creating a signature look is all about understanding the client and who they are, addressing every hair type and every style concern.

Learn the five secrets to creating the perfect blowout. In this program, you will gain a better understanding of blow-drying technique and how to achieve superior finishes such as classic waves, lived-in texture, and volume texture.
