

TRU LABS 1

WITH KRISTINA ROSATO

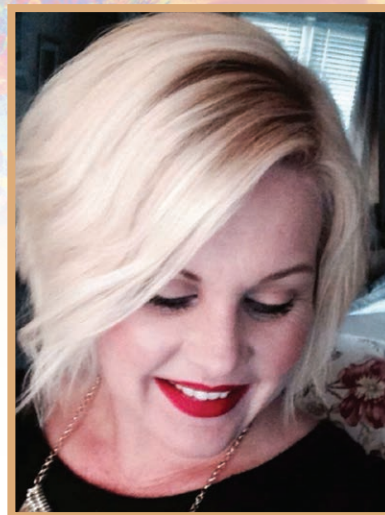

COLOR TRAINING THAT BRINGS ART AND SCIENCE TOGETHER!

Whether you're a new or experienced colorist, this class will provide you with a new way of looking at color! Explore the chemistry of hair color with in-depth formulations that will help you achieve the level and tone you desire.

YOU WILL LEARN TO:

- Master the art of formulation and achieve desired results
- Understand all color products (direct dyes, progressive dyes and oxidizing colors)
- Embrace new technology within our industry, and how to utilize it for creative results
- Consult with clients with confidence

After this class, there will be no more fear, just great results. This class includes work on 5 quad mannequins for gray coverage, brilliant reds, cool tones, and much more. Includes Certification Of Completion.

Kristina Rosato, Director of Education for TruBeauty Concepts, is a master colorist who has worked with many manufacturers. Her platform work has been published and featured in consumer and professional publications. Kristina also developed and ran a color department in a large, successful salon for over 22 years.
