

MILBON GOLD

Mindfully curated for the most selective, Milbon's new line is the embodiment of elegance. With unique ingredients like olive squalene and moisturizing emollient oil for indulging hydration, shine enhancing emollient oil for illuminating glow, and revitalizing protein for vitalizing dimension, each collection has something to offer, along with a different featured ingredient and fragrance.

- Indulging Hydration deeply hydrates for exceptional vibrancy and velvety-soft hair.
- Vitalizing Dimensions is designed to re-energize the elasticity of each individual strand of hair.
- Illuminating Glow enriches the hair for a radiant shine.
- Enhancing Vivacity blends skincare-grade botanical extracts to optimize scalp wellness.
- Utilizes the latest technology in scalp & haircare science.
- Ultra-selective brand, focused on salons wanting to offer their customers the absolute best.
